COVID-19 UPDATES: SERVICES

We are providing shelter each night for up to 17 guests to allow for appropriate distancing. To reserve a bed for the night, please call the shelter at 4:00pm and use extension 2. Beds are reserved on a first call, first serve basis.

We are offering to-go dinners each day at 6:30pm. We are only able to provide a limited number of dinners, so we recommend calling at 4:00pm and dialing extension 2 to reserve a meal.

We are offering afternoon showers and laundry services from 1:00pm to 4:00pm Thursday-Sunday on an appointment basis. You can schedule a shower and/or laundry services by calling or by stopping by the shelter.

Before entering the shelter, all guests will be asked to wear a mask, apply sanitizer to their hands, and have their temperature checked. If their temperature is above 100°F the guest will be unable to enter the shelter.

To-go masks are available and can be provided for guests as needed.
